Dear Parents and young people.

We are delighted to offer the attached August holiday programme for children and young people from Holt and surrounding villages.

The programme is designed to give our members an exciting activity programme with challenges as well as having fun. The programme is funded by Holt Youth Centre with a small costing to our member's families. The programmes and activities have limited spaces so it is advised to book early to avoid disappointment.

The days out to **Extreeme High Ropes , Woburn Safari Park, Bewilderwood , Canoeing on Whitlingham Broad (with qualified instructors) , Go karting and Indoor Surfing (qualified instructors) at Bedford** are costed at £3 per day.

The Nerf and Orb activities.

Be mindful that the Nerf activity cost is £3 and is a morning activity only.

The Orbs activity is an afternoon only activity this needs to be booked separately to the Nerf morning activity. These sessions are £3 each..

The fun water sports at Glandford is free (NO SWIMMING ALLOWED)

A packed lunch is needed each day to be provided by parents

An additional meal and drinks will be provided on longer days out by the Holt youth centre.

There are age restrictions on the **Extreeme** activity of aged 10 and over (possibly a tall age 9) This course is designed to challenge adults as well as children /young people so is difficult . As it is an expensive activity for us to cost please be aware this isn't for the faint hearted. It is much more challenging than Go Ape in Thetford Forest . As there are limited spaces we want to take only children /young people who are up for this challenge.

The detective room experience is for **youth only**

Swimwear is needed for the Surf Experience at Bedford .

Fun water sports at **Glandford** - swimwear or old clothes which could get wet , It is also advisable to wear old shoes in the ford.

For bookings and enquires please ring 01263 712812 . If you leave a message on the answerphone I will return your call. Please be aware just leaving a message does not mean a place is booked for you, only by speaking directly to me will secure the booking. A deposit for the activities will be needed in advance due to the limited spaces on some activities.
